

Religions for Peace Europe

Together in heart, mind and prayer, keeping hope.

Brussels, 14 November 2015

We are deeply shocked by the manifestation of horror in Paris, after the air crash in the Sinai desert and the attacks in Beirut and Baghdad. We utterly condemn all terrorist violence and hatred, alongside all those actively involved in a peace building process at all levels of our societies and in our religious communities. All our empathy and solidarity go out to the families affected and also to the French authorities and people.

Convinced that peace is at the very heart and core of all faith communities and religions, we affirm a vision of unity and solidarity in the face of hatred and violence. We invite all RfP Europe members to join **Together in heart, mind and prayer, keeping hope by testifying especially to the younger generation, and “Welcoming each other, from fear to trust”**.
